

## The Switch Witch!

Have YOU heard of the Switch Witch?  
She's hungry, fierce and fat!  
She's on the hunt for candy  
To feed her naughty cat.

He likes the brightest lollipops  
The green chews and the blue  
And if you have some bubblegum  
He'll really want that too!

After trick or treating  
Pick out some things to keep  
And then put in a bucket  
Sweets to swap in your sleep!

Only when you're snoozing  
The Switch Witch will drop in  
She'll take out all the candy  
And who knows what she'll put in!

You might wake up and find a toy  
Maybe some clothes to wear?  
Something for your piggy bank?  
Or a funny game to share?

So give the witch your brightest treats  
For her cat instead  
And in the morning you will find  
A SWITCH on your bed!
